Dear Participants/Parents/Guardians/Caregivers:

Thank you for your interest in Queen of Hearts' therapeutic equestrian program. To assist you in getting started with our program, enclosed are some general information sheets about our program and registration forms that must be filled out prior to the participant's first lesson.

The "**Participant Registration and Health History**," is to be filled out by the participant (if the participant is 18 years or older) or both parents and/or legal guardians of the participant that will be participating in our program.

The "**Participant's Medical History and Physician's Statement**" must be signed by the participant's doctor who is currently involved in regular treatment of the participant. This information is very important as it helps us assess and create a program that is right for each rider. It is especially important that the medical assessment form is filled out and signed off by the participant's treating physician or therapist. We may not undertake any equine-assisted therapy or therapeutic riding session with the participant until we have obtained clearance from his/her physician indicating that there are no contraindications to such activities. Photocopies of the original forms are acceptable.

Unfortunately, equine-assisted activities and therapies may not be appropriate for everyone, even with the physician's consent. Queen of Hearts Therapeutic Riding Center, Inc. reserves the right to screen prospective participants to determine if they have any physical or mental contraindications to functionally participate in safe equestrian activities and therapies. Each individual is evaluated separately to ensure the functional safety of the participants, the volunteers, and the equines involved. As committed professionals, it is our obligation to offer the highest quality service that we can safely provide. Therefore, Queen of Hearts has acquired adaptive saddles and devices to improve the overall safety of our program and our instructors strive to adapt lessons for each individual's specific needs.

The "**Authorization for Emergency Medical Treatment**" form must also be filled out in full prior to engaging in any activities at the Center as well as the "Release and Hold Harmless" form.

Lastly, you will find a "**Photo Release**" to allow us to photograph the participant as he/she participates in activities at the Center. This form is not mandatory and has no bearing on acceptance to the program. **If you do not consent to the participant photograph being taken, please indicate this on the "Photo Release" form.** If you do allow us to use participant's photograph, you may rest assured that the photos will be used in appropriate media such as brochures, posters or ads in publications promoting the Center's activities, and you will be allowed to review any photographs chosen for such publications prior to their going to print.

If you have any questions regarding enrollment, scheduling or any other aspect of our facility, please feel free to call us at your earliest convenience. We look forward to meeting you and introducing you to our therapeutic riding program.

Sincerely,

PLEASE READ CAREFULLY

The following is a list of general information and the current fee schedule for Queen of Hearts Therapeutic Riding Center, Inc. ("Queen of Hearts" or "QoH"). These general rules are necessary for the safety and welfare of the participants, volunteers, and horses. We ask that everyone observe the following rules while visiting QoH.

Center Hours

Queen of Hearts is currently open Mondays through Thursdays from 9a.m. to 7p.m. and Fridays through Saturdays from 8a.m. to 1p.m. Additional hours may be added as deemed necessary.

Rate for 8-Week Therapeutic Riding Lessons is \$480

Each riding session consists of eight (8) 45-minute lessons, scheduled once a week for eight (8) consecutive weeks. Queen of Hearts is able to offer a partial scholarship rate **for a pledge of \$480.00**. Pledges for each session must be pre-paid prior to commencement of the sessions. Special payment arrangements may be made on a case-by-case basis.

Although we ask for a pledge of only \$60 per lesson, due to the unique nature and staffing requirements of a therapeutic equine program, the **actual value** of each therapeutic riding lesson is \$350 per hour, per participant, for a total of \$2,800 per 8-week session. Therefore, QoH welcomes and encourages all participants to obtain supplemental/matching scholarships.

In addition to fees, all enrollment forms, medical releases, assessments, and other required documentation must be received by QoH prior to participation in any therapeutic horseback riding lessons.

Group Therapeutic Riding Lessons

To keep the cost of the lessons low, all lessons are considered "group" lessons. This means that a participant may start out being the only participant in a time slot, but other participants may be added when the time is requested. All participants advance at different rates; therefore, although participants in the same class may not have the same riding experience, we do ensure that all participants in a lesson have approximately the same riding abilities. Additionally, for the safety of all involved, and to ensure all participants get the appropriate amount of attention required, there will be no more than three (3) participants per instructor during a riding lesson.

Scheduled Lesson Time

The participant's lesson time is scheduled for a pre-determined date and time which remains the same from week to week throughout the applicable session. **If a participant is more than 15 minutes late for a lesson, the lesson will be forfeited.** If a participant needs to change his or her schedule, arrangements may be made if there is an opening available. The scheduled lesson times are made on a first-come, first serve basis. **For proper staffing, QoH requires a 24-hour notice if a participant needs to cancel his/her lesson or the lesson will be forfeited.**

Missed Lessons

There are no refunds or credits for missed lessons. Lessons *may* be rescheduled **if time permits within the same week** or if there are unforeseen circumstances such as inclement weather. If a participant anticipates missing two (2) or more lessons within a 4-week time period, QoH may request that the participant give up his/her time slot and, *if* the time slot is still open when the participant returns, then the rider may be placed back on the same schedule.

Rain Days/Inclement Weather

For the safety of the participants, volunteers, and the humane treatment of the horses, it is Queen of Hearts' policy to not conduct lessons on horseback in the rain, high wind conditions, or when

the temperature exceeds 95°F. If the lesson must be cancelled by QoH, all attempts will be made to reschedule the participant at a mutually convenient time during the same week. If there are no available time periods within the same week, the class will be “rolled over” to the end of the session.

Refund Policy

Queen of Hearts has a no refund policy. In the event of extended absences, such as a prolonged illness/injury (such as an infectious virus or an injury that will be aggravated by horseback riding), a credit will be held for unused lessons. If a participant chooses not to return, the credit may roll over to another family member that is already enrolled in the program within sixty (60) days.

What Riders Should Wear

Helmets: ALL riders MUST wear an ASTM/SEI approved helmet. Queen of Hearts is happy to loan a helmet to participants however, it is best if each participant obtains his/her own. Your instructor can help you with the proper fit.

Pants: It is preferred for all riders to wear long pants during lessons. Jeans and other trousers should be loose enough to allow the rider to sit comfortably. There should not be a tight crease or pressure across the hips, upper thigh, and abdomen. Cotton sweatpants also work very well. Nylon pants, however, can cause the rider to not have a secure seat in the saddle.

Jacket/Sweater: Jackets and sweaters should not be too long. The rider should not be able to sit on the back of the jacket and sleeves should not extend past the rider's wrists. The jackets/sweaters should be zipped, buttoned or snapped closed when riding; loose, flapping jackets can distract the horse and rider.

Footwear: Sneakers should be avoided. Riding boots with a low heel are ideal for most riders. Please ask your instructor for local stores where new and used footwear can be obtained.

Leg Braces: Many riders can wear short leg braces when they ride because they help support the ankle. However, if the rider rides without stirrups, it may be more beneficial to remove the braces so the lower leg can easily contour to the horse. Please discuss the options with your instructor.

GENERAL RANCH RULES

- There is NO SMOKING allowed anywhere on ranch grounds.
- PLEASE DO NOT DISTURB CLASSES THAT ARE IN SESSION or attempt to talk to the instructors while they are teaching a class. For safety and effective teaching, the instructor's full attention is on the participants, and the participant's full attention must be on the instructor and their horses.
- PLEASE DO NOT CLIMB on the arena gates, railings, fencing or barriers.
- Please **do not take photographs or videos of riders** while class is in session without prior permission.
- Parents, caretakers, friends, relative and siblings are welcome to stay and observe the classes in session. We ask that observers stay within the confines of the “Parent Park.” We ask that you watch your children and PLEASE **DO NOT ALLOW** CHILDREN TO CLIMB ON THE MOUNTING RAMPS OR FENCES, VISIT THE BARN, OR STRAY INTO THE HORSE STAGING AREA.
- You are welcome to bring snacks, drinks and sack lunches to enjoy while watching your rider's lesson. Please dispose of your refuse in the black trash cans. NO ALCOHOLIC BEVERAGES ARE ALLOWED.
- Visitors are not allowed in the barn/tack area, or beyond the arena without the accompaniment of authorized ranch personnel. We will be happy to escort visitors to meet the horses if time permits.
- For the safety of our riders, we ask that you please leave your pets at home.
- We at Queen of Hearts thank you for your cooperation. If you have any questions or concerns regarding the fee schedule or general rules, please feel free to speak with Executive Director, Robin Kilcoyne.

The program at QUEEN OF HEARTS RANCH and QUEEN OF HEARTS THERAPEUTIC RIDING CENTER, INC. (collectively, "QUEEN OF HEARTS"), provides therapeutic horseback riding and equine-assisted therapies and activities for able-bodied and disabled children and adults. Horseback riding is considered a risk exercise, so volunteers and horses are carefully selected and trained, and safety equipment is required for all riders.

No participant will be accepted for equestrian services and no volunteer accepted until this form has been READ, UNDERSTOOD, COMPLETED and SIGNED by the parent(s) or guardian(s) of a minor, or if the participant or volunteer is of legal age and sound mind, by the participant or volunteer.

Among other risks, both horse and rider can be injured in normal use or in competition and schooling. In order to provide this valuable service, NO LIABILITY will be accepted by QUEEN OF HEARTS, or any of the organizations' officers, directors, instructors, personnel, volunteers or other persons connected with the above-named facility.

Queen of Hearts Therapeutic Riding Center, Inc. Covid-19 Acknowledgement of Risk and Acceptance of Services

On March 19, 2020, the Director of the California Department of Public Health ordered all individuals living in the State of California to stay home or at their place of residence unless the State Public Health Officer designates a location as “essential” during the coronavirus (COVID-19) pandemic. This guidance has since been modified for counties to make exceptions that pertain to the particular needs of the communities in which it serves.

Riverside County authorized certain outdoor activities, including equestrian activities, to reopen with restrictions. Some of those restrictions pertaining to equestrian activities include observe social distancing of six feet separation between individuals and wearing face coverings such as masks, scarves, bandanas, and neck gaiters, shall be worn by participants and workers.

It is imperative that we follow the orders outlined and we all remain safe. Therefore, all participants must acknowledge the extended risks of equine activities during the COVID-19 pandemic.

I agree to cancel my services should my caregiver or I, or anyone living in our households have, within the previous 24 hours to 2 weeks, personally exhibited or have been in contact with someone who has presented with illness including; coughing, sneezing, fever, chest congestion, or additional signs of potential spread of any virus or bacteria/disease. In addition, I will follow the recommendations of my medical provider once I have notified them of these risks in regard to my future services at Queen of Hearts Therapeutic Riding Center, Inc. during this pandemic.
